---

**Reporting a Case**

**What to Report:**
All reports are confidential and must include:
- Disease or condition reported
- Patient’s name, age, date of birth, sex, address (including city and county), phone number, and date of specimen collection, if applicable
- Physician’s name, address, and phone number

**When to Report**

**Immediate Reports / Emergency Notifications**
During business hours: Phone or fax all reports. After hours: Use the State Communications public health paging system (State Comm) at (800) 632-8000. A public health official will be paged immediately to assist you.

**1 Day Reports (required within 1 working day)**
During business hours: Phone, fax, or provide via electronic reporting system all reports.
After hours: If the reporting period falls on a weekend or holiday report to the health district or State Epidemiology Program the next working day or you may call State Comm as above.

**Routine Reports (required within 3 working days)**
Phone, fax, mail, or provide via electronic reporting system all reports. Confidential automated State Epidemiology Program WATTS line is available:
(800) 632-9927
--This is NOT an emergency hotline—
